## Why We Are The Best

Many professionals are quite surprised, when taking their licensing exam, at how much they don't know. It's not that they don't know their trade, but the exams are mostly about government regulations and standards.

You just don't pick up these things in the field, you have to wade through a long list of books to locate the required information. Anyone who has taken these exams can tell you...***it's no walk in the park!***

Building Trades Education Services has over thirty years experience preparing contractors to take and **PASS** the State and County exams. Our instructors sit for the exams on a regular basis. They know what to teach and how to teach it. Our study aids are constantly updated, so you can be sure of receiving the most current information. BTES courses offer:

- The most course time for the money.
- Comprehensive workbooks are included with each course.
- Limited course enrollment providing individual attention.
- Free Homework Hotline assistance.
- You may repeat your classes for up to one year from date of purchase at no extra charge.
- When you take one of BTES's courses you **will pass**, and that's guaranteed!

**BUILDING TRADES EDUCATION SERVICE**  
Guarantee

Once you have registered and paid for any BTES course, you may attend as many of our regularly scheduled classes as you need within one year.

If you do not pass the exam after taking the BTES course, return for another course at no additional cost.

If after repeating the course you fail to pass the exam again, you may receive a refund of your tuition for that course. No refunds will be given after six months from date of purchase. Applies to live course instruction only.
